Determine if the Park Board would like to participate in a blog with other boards and commissions.

The Heritage Preservation Board is interested in starting a blog and would like to know if the Park Board and any of the other boards and commissions would be interested in participating in a City of Edina boards and commissions blog.

The blog would be written by Park Board member(s) who would volunteer for this assignment. Blogs would be submitted to Janet Canton by assigned dates. Janet will submit them to the Communications Department for posting on the city website.
